

ABC TECHNICIAN REGISTRATION

ABC technician registration is awarded as an attestation of competency for the public, those who require orthotic/prosthetic services, and those in other health professions. The awarding of ABC technician registration provides the registered technician with an appropriate and meaningful recognition of professional competence.

Eligibility Requirements:

Candidates for ABC technician registration may meet one of two pathways. A complete description of the eligibility requirements may be found in the [Technician Book of Rules](#).

Pathway 1:

Completion of an [NCOPE](#) accredited orthotic and/or prosthetic technician program.-that is why we have submitted our letter of intent.

Pathway 2:

Two years of technician experience in the discipline seeking registration under the direct supervision of an ABC certified practitioner.

Fees:

- Application: \$50
- Examination: \$200 per discipline

Technician Exam Cycles:

There are three technician exam cycles, Spring, Summer and Fall of each year.

Application Deadline Dates:

There are three application deadlines each year, the deadlines for the technician examination are typically 8 weeks prior to the examination date.
