

Addendum No. 1

DATE: November 15, 2017

Joliet Junior College
1215 Houbolt Road
Joliet, IL 60431

TO: Prospective Respondents
SUBJECT: Addendum No. 1
PROJECT NAME: Purchase & Installation of Squad Car Toughbooks
JJC PROJECT NO.: Q17013

This Addendum forms a part of the Quotation Documents and modifies the original quote document as posted on the JJC website. Acknowledge receipt of this addendum as specified at the bottom of page 2. FAILURE TO DO SO MAY SUBJECT BIDDER TO DISQUALIFICATION.

Questions Received:

1. The RFQ specifically references "Toughbook(s)" throughout the document which are a specific Panasonic Model series but is asking for quotes for Fujitsu Stylistic Q736 Tablets.
Toughbook is used in the document as a generic term, not as a model of computer. Fujitsu Stylistic Q736 Tablets are the required computer.
2. Is there any substitution possible? We are a Panasonic Dealer and would love to offer a Panasonic Solution if possible.
No substitution.
3. Is there existing equipment in any squad cars or all of these brand new installation?
They are all brand new installation.
4. If new installation, has a 13.3" device been mocked up in any of the vehicles yet? That is typically very large for most vehicles and renders the passenger seat of limited use.
We have seen these computers in demo vehicles and are aware of the size and makeup of the computer setup.
5. The RFQ specifies 6 Tablets, but only 5 vehicle mounting kits. Is this correct?
We will be decommissioning a squad car. The new squad car will have the mounting kit included in the setup.

End of Addendum #1
