---

The Board of Trustees of Joliet Junior College, District 525, Joliet, Illinois is seeking a statement of interest and qualifications from Architectural/Engineering firms to perform the following project:

**Construction of New Multipurpose Facility on Main Campus &  
Romeoville Campus Expansion**

Firms must submit a statement of interest and qualifications, and further shall submit current documentation verifying pre-qualification with the Illinois Capital Development Board, and include a current statement of qualifications and performance data (CDB Standard Form 255).

A statement of basic project objectives and requirements can be found on the College's Website at [www.jjc.edu/info/purchasing](http://www.jjc.edu/info/purchasing)

The statement of qualifications and performance data shall include but not be limited to:

- a) Qualification of firm
- b) Qualification of professional personnel
- c) Past record of performance with similar projects
- d) Location of firm
- e) Work load of professional personnel
- f) References

General Information: Joliet Junior College is a comprehensive community college. The college offers pre-baccalaureate programs for students planning to transfer to a four-year university, occupational education leading directly to employment, adult education and literacy programs, work force and workplace development services, and support services to help students succeed. The College has a FY 2013 total of 31,307 credit and 6,086 non-credit students attending classes on its main campus, located within the city of Joliet, and its two extension campuses, located in Romeoville and downtown Joliet, as well as satellite sites throughout the District's seven counties, which include parts of Will, Grundy, Kankakee, Kendall, LaSalle, Livingston and Cook Counties

**THIS IS NOT A SOLICITATION FOR BIDS**
