1. You must download and install the Microsoft Remote Desktop app found (it's free) in the Apple App Store

- 2. Open the app
- 3. Click on Remote Resources Microsoft Remote Desktop New Start Edit Preferences Remote Resources Microsoft RemoteApp

4. Enter https://connect.jjc.edu/RDWeb in the URL field

00	Remote Resources	
URL	https://connect.jjc.edu/RDWeb	
User name	Domain\user	
Password	Password	
	Refresh	

5. Enter your JJC email address (*username*@jjc.edu)

00	Remote Resources	_
URL	https://connect.jjc.edu/RDWeb	
User name		
Password		
	Refresh	

- 6. Enter your JJC email password
- 7. Click Refresh

Setup is now complete. You can now select the app or website you'd like to go to.
