3.08.00 STUDENT CODE OF CONDUCT POLICY

The students of Joliet Junior College are expected to demonstrate qualities of integrity, honesty, civility and respect. To this end, and in the interest of maintaining order on campus while guaranteeing the broadest range of freedom, students must comply with the College’s student code of conduct. This code reasonably limits some activities and prohibits certain behavior that could interfere with the classroom setting, the orderly operation of the College and the pursuit of its goals and values. Each student shall be responsible for reading and complying with the code, which shall be developed, maintained and implemented by the Dean of Students or his/her designee. The code shall be published as a College procedure and made available to students through the College catalog, student handbook, Joliet Junior College website, and as a separate publication through the Office of Student Rights and Responsibilities.
