DIVISION III. Student Services	POLICY NUMBER 3.18.00
CATEGORY 3.18.00 Students and the Public	DATE Adopted 1971 Revised 1982, 4/2019

3.18.00 STUDENTS AND THE PUBLIC

Students’ impressions and understanding of the College’s goals, programs, and future direction have a direct influence on the public image of this institution.

Therefore, to promote community awareness and support for the College, the administration must keep students well informed of College programs and policies through the dissemination of informative brochures, catalogs, handbooks, notifications, email, portal or other effective forms of communication.
