

To All Current/Incoming Students:

Welcome and thanks for joining our Culinary Arts Family!

In order for you to experience the best we have to offer, we need you to be prepared for your lab classes in a timely fashion. The ordering of all cutlery and uniforms are available online.

Attached are the online ordering websites and instructions for ordering culinary uniforms and cutlery. Also, you will find a student supply list for additional items.

Ordering online is easy! All major credit cards are accepted.

Students wishing to purchase uniforms/cutlery with their **Financial Aid** should contact JJC Main Campus Bookstore to place their order.

All uniforms/cutlery must be shipped to your current address, not Joliet Junior College.

Please note that chef coats are not returnable since the coats will have the JJC logo, ACF logo and your name embroidered on it. **ALL STUDENTS MUST FOLLOW THE GUIDELINES ON HOW TO MEASURE FROM THE MEASUREMENT CHART ATTACHED.**

PLEASE NOTE: It is department policy **ALL** culinary students must be in full uniform with cutlery set for lab classes. Culinary theory classes only require culinary uniform.

If you have any questions or concerns, please contact **Dytra Randall**, Culinary Arts Department Secretary via email at drandall@jjc.edu.

Thank you,
Culinary Arts Family
