

November 8th, 2021

Joliet Junior College and the Fine Arts Department are thrilled to be able to welcome you back to our Annual Joliet Area High School Awards Exhibition!

Due to the pandemic, this year's exhibition will be in the virtual format, but it hasn't lost any of its impact.

Our 2021 exhibition features work submitted by twelve area high schools. Each school selected up to five pieces of their best work to showcase. The work in this exhibition runs the gamut from drawing and painting to design and ceramics, there is a little bit of everything! We hope you will join us in celebrating the hard work and success of our area high schools both by viewing the exhibition which runs from **Monday November 8th through Saturday December 11th**, and by joining us for a short virtual awards presentation on Thursday December 9th at 6:30pm.

A special thanks goes out to all of the art educators without whose hard work this exhibition would not be possible.
