VTNE exam is reciprocal since it's a national exam. They would indicate the home state when they apply to AAVSB who administers the exam and contact the state Department of Federal Regulations for directions on license application. Some states have two exams – the VTNE and a state exam. They would just need to check with the state regulatory department.

State	Status
Alabama	Meets educational requirements
Alaska	Meets educational requirements
American Samoa	Undetermined
Arizona	Meets educational requirements
Arkansas	Meets educational requirements
California	Meets educational requirements
Colorado	Meets educational requirements
Connecticut	Meets educational requirements
Delaware	Meets educational requirements
District of Columbia	Undetermined
Florida	Meets educational requirements
Georgia	Meets educational requirements
Guam	Undetermined
Hawaii	Meets educational requirements
Idaho	Meets educational requirements
Illinois	Meets educational requirements
Indiana	Meets educational requirements
Iowa	Meets educational requirements
Kansas	Meets educational requirements
Kentucky	Meets educational requirements
Louisiana	Meets educational requirements
Maine	Meets educational requirements
Maryland	Meets educational requirements
Massachusetts	Meets educational requirements
Michigan	Meets educational requirements
Minnesota	Meets educational requirements
Mississippi	Meets educational requirements
Missouri	Meets educational requirements
Montana	Meets educational requirements
Nebraska	Meets educational requirements
Nevada	Meets educational requirements
New Hampshire	Meets educational requirements

New Jersey	Meets educational requirements
New Mexico	Meets educational requirements
New York	Meets educational requirements
North Carolina	Meets educational requirements
North Dakota	Meets educational requirements
Northern Mariana Islands	Undetermined
Ohio	Meets educational requirements
Oklahoma	Meets educational requirements
Oregon	Meets educational requirements
Pennsylvania	Meets educational requirements
Puerto Rico	Undetermined
Rhode Island	Meets educational requirements
South Carolina	Meets educational requirements
South Dakota	Meets educational requirements
Tennessee	Meets educational requirements
Texas	Meets educational requirements
US Virgin Islands	Undetermined
Utah	Meets educational requirements
Vermont	Meets educational requirements
Virginia	Meets educational requirements
Washington	Meets educational requirements
West Virginia	Meets educational requirements
Wisconsin	Meets educational requirements
Wyoming	Meets educational requirements
