Academics

Students in this program will enroll as full time students at CCCU, earning 12 semester credits. Two classes, Modern Britain and British History provides students with an introduction to the history, culture, and people of Britain. These courses includes field trips and a forum for inquiry into the country they reside in for the academic term.

The remaining course options are similar to those students take at their home college, courses such as Introduction to Film, World Religions, and Shakespeare. Attention has been paid to identify courses that will help students fulfill general education requirements for their degrees. ICISP representatives have a list of courses offered at CCCU each term.

Cultural Excursions

The foundation of the program is the various cultural excursions included as part of the Modern Britain course. Typical trips include visits to Canterbury Cathedral and Rochester Castle, London, including the Globe Theater, the British Museum, Big Ben and Westminster Abbey, Windsor Castle, Oxford, Bath and Stonehenge.

The cost of transportation and entry fees for all cultural excursions are included in the program cost.

Optional excursions to Scotland, Amsterdam, Paris and Rome can be arranged for additional fee as well.
