Subject: ASE Program Accreditation Approved!

Program ID: 100683
School Name: Joliet Junior College

Dear Administrator Coleman,
Complete evaluation results of the automobile technician-training program at Joliet Junior College have been received and reviewed. We are pleased to inform you that your program meets the strict industry standards required for ASE Program Accreditation in: Master Automobile Service Technology. Both the educational and automotive communities should be proud of your commitment to quality automobile training programs. The official accreditation letter along with a certificate recognizing your achievement will be mailed in the fall once school resumes.

Accreditation Expiration Date: 5/1/2025

Congratulations! Attached to this e-mail are promotional materials to help the provide publicize the great achievement! Should you have questions or need further information, please contact us at info@ASEeducationfoundation.org or (800) 806-0018.

Your ASE Education Foundation Team
