CATEGORY 8.01.06 Capital Funds Policy	DATE Adopted: 7/2005 Revised: 12/2005, 3/2015, 2/2019

8.01.06 **CAPITAL FUNDS POLICY**

This policy describes the governing principles for preparing the capital budget and the Capital Improvement Plan (CIP). To facilitate informed investment decisions and promote effective management of existing capital assets.

The capital improvement program includes all capital projects, regardless of size, financed with Federal, State and/or college funds, and all departmentally funded projects exceeding the amount stated in the Budget Procedure 8.5(1). The capital improvement program is an ongoing process that includes:

- Assessing capital needs, opportunities and resources
- Assess utility conservation and sustainability opportunities
- Ensuring that potential projects conform with academic priorities and investment strategies
- Establishing priorities for project funding

The CIP is compiled by the Facility Services Department and presented to the President’s Cabinet for input. The president recommends college wide priorities and if approved are included in the capital budget.

Capital Improvement Program

Providing the facilities essential to the accomplishment of the college’s mission is a primary concern.

To ensure the availability of such facilities, a 3-Year Capital Improvement Program (C.I.P.) will be developed and updated on an annual basis. Plan objectives and goals include:

- Improving learning through educational facility enhancements.
- Ensuring facilities compliance with Environmental, Health and Safety Regulations.
- Extending the life expectancy of buildings and infrastructure.
- Construction of new facilities to meet the demands of increasing student enrollment.
