

CARES ACT FREQUENTLY ASKED QUESTIONS

Updated 6/30/20 for Summer 2020 Application Period

The CARES Act, signed into law by President Trump on March 27, 2020, provides broad-based economic relief in response to the COVID-19 national pandemic. As part of the Cares Act, Institutions of higher education have been provided funds to assist them and their students. Below are the answers to some frequently asked questions.

What is the CARES Act?

The [CARES Act](#) is federal legislation which provides a variety of financial support to individuals and businesses affected by the COVID-19 pandemic. The CARES Act established and funded the Higher Education Emergency Relief Fund (HEERF) to provide emergency financial aid grants. One part of this federal program allocates money to Joliet Junior College, and a portion of that allocation will be awarded to students who are experiencing expenses due to the disruption of campus operations due to coronavirus.

Who is eligible for a HEERF Grant?

Students who are 1) enrolled in Summer 2020 courses, 2) have completed a 2019-2020 Free Application for Federal Student Aid (FAFSA) and verification requirements, and 3) meet basic eligibility criteria (see below) for Federal Title IV Financial Aid can be considered for these funds. Student must:

- Be enrolled or accepted for enrollment in a degree, certificate or other recognized educational credential;
- Not be enrolled in elementary or secondary school;
- Have a high school diploma or its recognized equivalent;
- Be maintaining satisfactory academic progress (SAP);
- Not owe an overpayment (refund) on Title IV grants;
- Not be in default on a Title IV loan;
- Be a U.S citizen or national, a permanent resident, or an [eligible noncitizen](#) ;
- Have returned any fraudulently obtained Title IV funds, if the student is convicted of or pled guilty or no contest to charges;
- Not have fraudulently received Title IV loans in excess of annual or aggregate limits;
- Have repaid any Title IV loan overpayment amounts in excess of annual or aggregate limits, if obtained inadvertently;
- If you are male, have registered for Selective Service;
- Have a valid SSN, except for residents of the Federated States of Micronesia, Republic of the Marshall Islands, or the Republic of Palau; and
- Not have a federal or state conviction for drug possession or sale, with certain time limitations.

Who is not eligible for these funds?

Unfortunately, the CARES Act does not allow these funds to be used for international students, DACA students, or students who do not have a FAFSA on file for the 2019/2020 academic year, and are therefore not Title IV eligible. However, emergency funds may be available for these students through the JJC Emergency Student Fund. [JJC Student Emergency Fund](#)

How much money is available for each applicant?

Amounts vary, but students must complete an on-line application and provide a signed statement describing the expenses incurred from the disruption of campus operations due to

coronavirus to substantiate their funding request. Documentation of the expense(s) may be requested for verification. Maximum awards are \$1400. Please be aware that these funds are limited, are not guaranteed, and requests may not be granted in full.

The amount of HEERF funding that institutions received varied based on the Department of Education's allocation formula. That means the amount of the emergency grants at Joliet Junior College will not be the same as at other colleges. Each institution had to develop its own strategy for disbursing the funds to eligible students enrolled at their campus. Please be aware that these funds are limited, are not guaranteed, and requests may not be granted in full.

Yes, students who were already awarded a HEERF grant in a previous semester are eligible to apply again. Title IV eligibility and enrollment for the current semester will be reviewed.

When will I receive my HEERF grant?

The deadline for applications is July 20. We expect disbursements to begin in early August.

Will I receive the HEERF grant even if I owe JJC money?

Yes. If you are eligible for these emergency grants, you will receive the money even if you have current financial holds or owe JJC money.

I completed my FAFSA, but was not eligible to receive the Pell grant. Am I still eligible to apply for HEERF grant funds?

Maybe. Just because you were not eligible for the Pell grant does not necessarily mean that you are not eligible for HEERF funds. There are many students who are considered Title IV eligible but do not receive Pell grant funds and who are still eligible for HEERF grant funds.
