## JJC Student ID

The JJC Student ID is an important part of your JJC experience.

- On-campus, it is the preferred form of ID at the Bookstore, Financial Aid, the Testing Center and it's your library card.
- Off-campus, you will need it to check out items from [JJC library](#) or to request an interlibrary loan. The [bookstore](#) will also confirm that you have received a JJC Student ID when using financial aid to purchase your books.

\*\*If you are enrolled in a minimum of one class and you do not have a JJC Student ID yet you can request one using our [online application](#).\*\*

On the application, be sure to attach a picture of yourself against a [white background](#) (head and shoulders only!) and a picture of your government-issued ID (examples include driver's license, state ID, military card, passport, etc.) for verification purposes.

### DISCOUNTS

Your student ID is useful off campus as well! Many businesses offer students discounts. Here's a [helpful list](#) of the ones we know of!

### PREFERRED NAME

Joliet Junior College (JJC) works to ensure that all students have the opportunity to learn in a safe and supportive environment. JJC acknowledges that many students use first names other than their legal first name to identify themselves.

To request to have your preferred name used you will need to complete this form and arrange a meeting with the Office of Student Rights and Responsibilities.

[Preferred Name Change Request Form.pdf](#)

You can fill the form out online and save it to your desktop, then email it to [Jonathon Feit](#) and request an online meeting.

After your preferred name has been approved, please contact the Photo ID office to have a corrected copy of your student ID printed at no cost and mailed to you.

\*This form will enable students to use a preferred name in the course of College business. This request allows students to identify the use of a preferred first name in addition to their legal name and will not facilitate the name change on any legal documents. Please note: The JJC Dean of Students will support the student's request whenever possible. It is also suggested that the student take a proactive role in this process and encourages communication with faculty members.

## Culinary Arts Uniforms and Cutlery

In order for you to experience the best we have to offer; we need you to be prepared for your lab classes in a timely fashion. The ordering of all cutlery and uniforms are all available online.

## JJC COVID-19 Operations

Joliet Junior College follows the guidance of the Illinois Department of Public Health. If you test positive for Covid-19, please do not return to Joliet Junior College for 5 days following the positive test result. After 5 days, you can return to campus, but must wear a mask for the following 5 days.

## Online Learning (iCampus)

JJC's online classes take place on the platform iCampus, powered by Canvas. This state-of-the-art virtual classroom technology allows students to:

- View presentations given by professors
- Connect with their professor and fellow classmates
- Complete class assignments
- Take exams and quizzes
- See grades and feedback from their instructor as soon as it's available

Even though this software is used primarily for online classes, many on campus classes may require the use of iCampus. Please check with your professor if you have any questions.
