Drive-Thru Celebration for 2020-2021 Graduates
Joliet Junior College Main Campus
May 21, 2021 4:00PM-7:00PM
Instructions and Reminders

Congratulations on your achievement at Joliet Junior College! We are so proud of your success! We recognize the difficulties you've faced during the past year, but you kept going and worked through obstacles to achieve your goals and dreams for the future.

We are so excited to celebrate YOU, one of our Joliet Junior College graduates, with a safely planned Drive-Thru Celebration on Friday, May 21 from 4 to 7 p.m. on the JJC Main Campus. Please come at any time and celebrate with your friends, family, and JJC Faculty and Staff.

Graduates are invited to decorate their cars and drive through the campus where faculty and staff will be cheering them on. All participants will be provided with a diploma cover given by President Dr. Mitchell, special giveaways, and the chance to take celebratory photos with Wiley the Wolf. Participants can then enjoy the 2021 virtual ceremony at home with their families which will debut at 7:00PM.

Family and Friends are invited to come along to celebrate. We are limiting each graduate to one car. Cars will enter through the Elmer W. Rowley Drive entrance and turn right past the U Building. You will follow the path along Main Campus to the Event Center (see map).

Items included in your packet:

- A Campus map indicating the Drive Thru Route
- The Wiley cut-out ticket into the event – please display on your dashboard.
- Gold Honors ticket included in packet if you have a 3.0 cumulative GPA or higher. Bring your golden ticket to receive a gold 2021 tassel. When you approach the Honors table wave your ticket, and we will bring you your tassel.
- Project Achieve ticket included in packet if you are a Project Achieve Student. Wave your card when you approach the Project Achieve table to receive your stole, medal, and pin.

Photo Booth

Please remember – masks and social distancing are required while on campus. You will have the opportunity to park your car at the end of the route to take a few quick photos at our photo booth located in the S7 parking lot. You can exit your car, but please wait for a volunteer to lead you to the photo booth when it is your turn. There will be selfie signs and props so have fun with your photo shoot!

Safety First

We want to create a fun safe way to celebrate our students. Please keep the need for safety in mind as you drive thru campus. The only time you can exit your vehicle is at the photo booth. Please do not attempt to exit your vehicle during the procession.

After taking photos, participants can leave through either campus exit.

We are so excited to celebrate you and look forward to seeing you at the Drive Thru Celebration!
