

Summer 2020 Faculty Advisors

Contact your Faculty Advisor for long term educational/transfer advising if you have decided on a major and transfer school (if applicable).

The Student Advising Center will assist students with summer and fall course recommendations or students who are unsure of their educational goals. Contact the Student Advising Center at 779-379-1180 or academicadvising@jjc.edu

New students must follow the steps listed at jjc.edu/admittedstudents for advising
