

Cultural Literacy:

Outcome: Students examine and consider cultural elements or viewpoints as they relate to a variety of individuals, groups, or ideas.

Note: Cultural elements may be defined as beliefs, values, customs, behaviors, arts, and/or artifacts.

Indicator A: Examine

2	1	0
Reformulates other perspectives when investigating subjects.	Examines a collection of available ideas.	Present, but did not attempt.

Indicator B: Consider

2	1	0
Considers multiple worldviews, experiences, and/or power structures.	Identifies some perspectives from other cultures.	Present, but did not attempt.
