CAMPUS SECURITY AND ACCESS:

Statement # 2 Covets Requirements Ch. 7(2)(a)(b)

Campus buildings and facilities are open to the public during normal College business hours. Business hours vary per campus but in general are Monday – Friday 7 AM – 10 PM with varying hours on weekends. For all Board designated holidays, all campuses will be closed as well as on Friday – Sunday during the summer months when summer closings are in effect.

During any closing, access to Main Campus only, will be limited to pre-approved individuals or emergency entry which will be gained by contacting Campus Police through the intercom located at the G Building entrance or by calling 815-280-2234.

Main Campus is staffed by Campus Police 24/7. Other campuses are patrolled intermittently by Campus Police as well as by local police agencies. Some 600 security cameras both internal and external are located at all campuses and are monitored intermittently by Campus Police. Remote campuses are patrolled primarily by College Campus Safety Officers and intermittently by Campus Police officers. Burglar alarms are also in place at City Center, Romeoville, and Weitendorf sites.

Emergency related equipment including the PA system, fire extinguishers, AEDs, emergency phones and cameras are checked monthly or as needed to determine functionality and necessary repairs are made accordingly.

Centennial Commons Student Housing is a gated apartment complex for students only, located adjacent to main campus. The complex is owned by the JJC Foundation Housing LLC, not the College. The complex is patrolled primarily by JJC Campus Police who respond for calls for service also. Students are encouraged to report any criminal or other illegal activity to Campus Police at 815-280-2234 or via Joliet PD at 911 in case of emergencies. In addition to police patrols, Centennial Commons also hires off duty police officers to function as security personnel on site. Centennial is a gated community and students are provided keys and key fobs for vehicle owners to enter the property.

CAMPUS POLICE AUTHORITY:

Statement # 3 Covers Requirements Ch. 7(3)(a)(b)

The JJC Police Department draws its authority from the Illinois Public Community College Act – Illinois Compiled Statutes - Chapter 110 ILCS 805/3 -42.1 which states in part that the Community College Board has the authority “To appoint law enforcement officer and non-law enforcement officer members of the community college district police department or department of public safety.

Members of the community college district police department or department of public safety who are law enforcement officers, as defined in the Illinois Police Training Act, shall be peace officers under the laws of this State. As such, law enforcement officer members of these departments shall have all of the powers of police officers in cities and sheriffs in counties, including the power to make arrests on view or on warrants for violations of State statutes and to enforce county or city ordinances in all counties that lie within the community college district, when such is required for the protection of community college personnel, students, property, or interests. Such officers shall have no power to serve and execute civil process.”

Campus Police also have the authority to utilize the Student Code of Conduct or College Regulations in lieu of or in addition to, the criminal process, to resolve legal or college policy violations.

The prosecution of all criminal offenses, both felony and misdemeanor, are conducted in the Circuit Court of Will County.

Campus Police personnel work closely with local, state, and federal police agencies and have officers assigned to the Joliet PD Special Operations Squad and the ILEAS Region 3 Mobile Field Force. Additionally through an informal agreement with Joliet Police Department, JJC Police handle all police response and patrol of the Centennial Commons Student Housing Complex. This complex is located adjacent to campus and is not owned by the College but this arrangement is in the best interests of the JJC students residing there and the College.

In addition to sworn Police Officers, JJC campuses are staffed with non-sworn Campus Safety Officers. These officers are trained in multiple security related areas including emergency response and use of force and they operate in a support role for the sworn officers. Additionally, JCPD has several Student Workers who assist students and staff and patrol the Main Campus. JCPD also operates a 24/7 Dispatch Center to respond to phone, radio and walk up complaints and calls for service.
REPORTING BY COUNSELORS:

Statement # 4 Covers Requirement 7(3)(d)

JJC College Counselors have been notified through their Department Chair of the need to advise self-reporting students of their reporting options outside of the Counseling venue. Counselors are informed that they can contact Campus or local Police or the Dean of Students directly, refer or accompany the student to Campus Police or the Dean of Students or provide the student with the opportunity to report the crime “confidentially” as stated in the Confidential Reporting” section below, for inclusion in the Clery report.

SECURITY AWARENESS, CRIME PREVENTION and SAFETY PROGRAMS:

Statement # 5 Covers Requirement Ch. 7(4)
Covers Requirement Ch. 7(5)

JJCPD utilizes a number of methods to make students and staff aware of the various safety issues and concerns that exist on JJC campuses, and in their day to day routine both on and off campus. JJCPD also offers various training sessions on how to avoid victimization. Below is a list of some of the programs and presentations utilized to achieve those goals.

JJC Emergency Alert System: JJC has an (opt out) emergency alert system which sends out text, e-mail, and voicemail notifications in emergency situations to all registered credit students and employees.

Orientation Safety Presentations are made each semester by Campus Police and the Dean of Students or information provided at New Student Orientation; New Faculty Orientation; Centennial Commons Housing Orientation and JJC Connect (prospective high school student & parent fair).

Drills: Annual fire and tornado drills are conducted on JJC campuses. Additionally Active Shooter Drills are conducted annually for faculty, staff and students. Table top and full scale drills are also conducted annually with the College Emergency Response Resource Group per the College Emergency Operations Plan.

Semester Safety Bulletin: A safety bulletin has been created and distributed to all faculty along with a request that they spend time at the beginning of each semester discussing the safety issues in the letter such as evacuation, shelter etc. This bulletin will also be disseminated to all employees and students at the beginning of each semester via e-mail.

JJC Police Book: Each year an updated Police Book is printed and distributed throughout campus as well as being posted in PDF format on the JJC police website. This booklet contains the annual Clery ASR along with additional safety information.

Safety Presentations: Safety presentations by both Campus Police and Environmental Health & Safety are made to various employee and student groups such as Department meetings, Union Meetings, Student Government, Collegiate Club Council, upon request. These include Active Shooter Response as well as more routine safety discussions.

Evacuation and Shelter Maps are posted in all classrooms, office areas and in various public locations.

Bystander Training is conducted by Holistic Wellness at various times during the year.

RAD & SAFE Female Self Defense classes are conducted at all campuses throughout the year.

Thor Guard Lightning Detection & Warning System has been installed on Main Campus. This system sounds an alarm when lightning is detected within a pre-determined radius of the campus. Information regarding the alarm and appropriate response are posted for students and staff.

Emergency Phones are available on all JJC campuses with the exception of Morris Education Center. The external phones are blue light phones and internal emergency phones are clearly marked as such. All of these phones provide a direct connection to Campus Police 24 hour dispatch with the push of a single button. Campus Police are also automatically notified of the phone location upon activation.

JJC Emergency Panic System provides individual panic buttons for staff who work in areas where they feel isolated or where they could become involved in confrontational situations. Upon activation these buttons send a prerecorded message to all Campus
Police radios as well as Police Dispatch. Currently this system is available on Main, City Center and Romeoville campuses. Alarm system panic alarm buttons are available to staff at Weitendorf campus.

JJC Camera System consists of approximately 700 cameras located on all campuses except Morris Education Center. These cameras are monitored intermittently by Campus Police dispatch as well as by CSOs at the various campuses.

Automatic External Defibrillators (AEDs): More than 30 AEDs are distributed strategically throughout all JJC campuses. Training is provided periodically to staff members on AED use and First Aid.

Sector Leaders: JJC has an extensive Sector Leader program which is made up of over 70 volunteer staff who assist in emergency situations, evacuations etc. and who serve as eyes and ears for problems on campus. These employees are trained in first aid as well as evacuation and various other emergency situations.

Police Liaison Officers are assigned to various departments and groups throughout the College to determine and respond to needs and safety concerns from those groups.

Escort Services are available upon request for escorts to and from vehicles. Contact Campus Police at 815-280-2234 or in G 1013.

Emergency Response Handbooks containing emergency numbers and response information for 12 potential emergency situations are distributed to staff and posted in classrooms, offices and public areas.

**CRIMINAL ACTIVITY MONITORING (OFF CAMPUS):**

**Statement # 6**

Covers Requirement Ch. 7(6)

JJC does not own any off campus housing or off campus student organization facilities. Centennial Commons Student Housing is a JJC student only housing complex located adjacent to the JJC Main Campus and is owned and operated by Foundation Housing LLC which is affiliated with the JJC Foundation. Through an agreement with Joliet Police Department and based on its authority granted by the Illinois Community College Act, JJC PD handles police patrol, call response and criminal investigation for incidents occurring on Centennial Commons property. EMERGENCY RESPONSE AND EVACUATION PROCEDURES:

Statement # 10                       Covers Requirement Ch. 7(11)

(Please also refer to the section regarding Timely Warnings)

JJC has an (opt out) Emergency Notification System. Any employee or student contact number or e-mail address is automatically downloaded into the system which when activated will send out text, phone and e-mail messages with the relevant emergency information. These include timely warnings, severe weather events, school closings etc. Additionally, PA systems at Main, City Center and Romeoville campuses are utilized along with closed circuit TVs. To convey information regarding evacuation or sheltering information. At Morris and Weitendorf centers, the on duty CSO will make notifications as needed.

The need to issue these messages is determined by the Chief of Police or designee in the event of any in progress threat. In situations where there is time to evaluate the need and content of a message, members of the College's ERRG will meet to prepare the message. These generally include at a minimum, the President, Chief of Police, EHS Manager, Director of Facility Services and Director of Communications. This group will evaluate the details of the incident, the degree of danger or threat posed to the public, what action to be taken and the appropriate communication to be sent out. The Director of Communications is responsible for the activation of the Emergency Notification System.

Emergency evacuation maps and Emergency Response flip charts are posted in all classrooms and in many public areas. Semester Safety Bulletins are sent out to all faculty & staff asking that they review evacuation procedures and plans with their students each semester.

In the spring of each year a Tornado Drill is conducted at Main, Romeoville and City Center campuses and training is conducted at Morris and Weitendorf centers. A Fire Drill is conducted at each location in the same manner.

Systems Checks:

Emergency Notification System: Checked by the Communications Department at least annually
PA System:                     Checked monthly
Panic System:                  Automatic Self Check weekly
Emergency Phones & AEDS:      Checked monthly
Thorguard Lightning System:   Automatic Self Check
Fire Extinguishers & Suppression Systems:  Checked semi annually
TIMELY WARNINGS:

College Wide Emergency Notification System which is tested several times per year

JJC employee and student e-mails account

JJC Web Site www.jjc.edu

Depending on the particular circumstances of the crime, especially in situations that could pose an immediate threat to the community and individuals, Campus Police may also issue the "timely warning" and related safety information via the Public Address System at the Main, Romeoville and City Center campuses. Weitendorf, and Morris Education Centers are not equipped with PA systems, but notification of occupants will be conducted by the on duty Campus Police CSO.

Statement # 12  Covers Requirements Ch. 7(3)(d)

JJC does not specifically allow for confidential reporting of crimes, however, there are reporting methods that will minimize and in some cases eliminate the possibility that your information might become public.

If you are the victim of a crime and do not want to pursue action through the criminal justice system, you may still want to consider one of the following reporting options:

1) Report to Campus Police or Dean of Students with the option of utilizing the Student Code of Conduct process. Code information is available at: http://www.jjc.edu/student-resources/office-student-rights-responsibilities

2) Report to Campus Police, Dean of Students or Counseling to make a report. In these cases, your report will remain confidential within the College system to the extent permitted by law. These reports will allow JJC to help insure your safety and the safety of other students or staff based on the information you provide. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to particular locations, methods, or assailants, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

If you are the victim of a crime and wish to remain anonymous or you have information on a crime that occurred or may occur, you may utilize any of the following reporting options. In all of these reporting options it is not necessary to provide your name to make a report.

3) Silent Witness Program available on the JJCPD Website at: http://jjc.edu/about/operational/campus-police/Pages/silent-witness.aspx

4) Will County Crime Stoppers  Crime Stoppers of Will County

SEX OFFENSES (PREVENTION AND RESPONSE):

Statement # 13

If you are a victim of a sexual assault at Joliet Junior College, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Joliet Junior College Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to the Joliet Junior College Police Department at 815-280-2234 or in person in room G1013. Reports may also be made at the Joliet Junior College Counseling Department or the Dean of Students. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental options from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual crisis intervention.
- The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system by Campus or Local Police and/or the Joliet Junior College Student Code of Conduct, or not pursued at all.
- Campus Police will assist in obtaining a Civil No Contact Order in cases where there is no prior relationship between the victim and offender and Orders of Protection in cases where a prior or current relationship exists.

Joliet Junior College offers the following primary preventive and awareness programs:

- "Not Anymore" training module directed at all students and staff.
- RAD/SAFE female self-defense classes available free of charge through Holistic Wellness or Campus Police.

Fire Safety Systems

Buildings 1 through 6 are equipped with the following fire safety systems:

Central Integrated Fire Alarm System: all residential buildings are connected to the central fire alarm system. Activation of any sprinkler head, smoke detector or pull station results in activation of the horns and strobes for that building and direct notification to the Joliet Fire Department. An alarm also sounds in the Management office area of the Clubhouse.

Automatic Fire Sprinkler System: sprinkler heads located in each bedroom and common area. The Clubhouse is equipped with three fire extinguishers as opposed to sprinklers.

Smoke Detectors: located in each bedroom and common area. These detectors are hard wired and have battery backups in case of a power failure. Detectors are tested and batteries replaced by management at the start of each annual lease and one additional time during year. The smoke detector will beep when the battery needs replacing. Residents are encouraged to test detectors throughout the year and report any malfunctioning or inoperable smoke detector(s) to the Centennial Commons office.

Horns & Strobes: located in the exterior breezeways on each residential floor as well as in each handicapped accessible apartment located in Buildings 1 and 2.

Fire Walls: are in place between floors

Pull Stations: fire pull stations are located on the exterior breezeways on each residential floor.

Policies on Smoking, Portable Electric Appliances and Open Flames

- Centennial Commons is a “Smoke Free” facility. Smoking of any type is prohibited in all living areas as well as all exterior and common areas of the property. This policy is stated in the residential lease signed by all residents.
- Open flames and flammable materials including candles, incense, and gasoline are strictly prohibited. Additionally, barbecue grills, halogen lamps, “octopus” outlets and combustible holiday decorations are prohibited by lease.
- Portable space heaters are prohibited. Other portable devices are addressed by management on a case by case basis.

Fire Inspection: Centennial Commons receives an annual inspection by the Joliet Neighborhood Services Department and by the Joliet Fire Department.
Fire Safety Procedures and Training for Residents:

All residents are instructed through their lease addendum on the following:

- immediate evacuation when alarms sound,
- emergency call numbers,
- notification of fires to management,
- smoke detector monthly tests and malfunction reporting,
- Penalties for damage to any fire system including pull stations, detectors and sprinklers include a fine up to $100, referral to the Student Code, Criminal prosecution and termination of the lease.

Fire safety guides are posted in each apartment and evacuation maps are posted in the Clubhouse.

Reporting of Fires:

In the event of a fire, residents should immediately:

- evacuate the apartment - do not worry about gathering belongings
- activate the nearest pull station and call 911 to report the fire
- notify other residents if possible
- move away from the building
- do not block access to the fire area for responders
- notify management* in person or at 815-730-1020   *General Manager or Resident Life Coordinator

In the event of minor fires even if the fire department is not contacted, you are required to notify the Centennial General Manager or Residence Life Coordinator and/or Campus Police so that accurate fire statistics can be gathered.

Plans for the Future:

- First annual Fire Drill is scheduled for October 16, 2017 at 2 PM.
- Last year's plan called for the development of a fire safety booklet for residents. That booklet was developed and distributed to all residents in September 2017. Additional booklets have been provided to management for inclusion in the move in packets, in the future.
