- Applicant must be the child, stepchild, or legal dependent of a JJC alumnus/alumna.
- The alumni/alumnae has received an Associate's Degree or certificate from JJC.
- Applicant must be enrolled full-time at JJC (12 or more credit hours) in Spring 2024 semester.
- Applicant must be a resident of JJC's district.
- Applicant must be pursuing an Associate's Degree or certificate from JJC.

- **Incoming Freshman Applicants:** must be a 2023 High School graduate, have earned a minimum 2.5 cumulative HS GPA, and provide official HS transcript to the JJC Admissions Office.
- **Continuing JJC Student Applicants:** must have been enrolled full-time at JJC (12 or more credits) in Fall 2023 semester and have earned a minimum 2.5 GPA during that semester.

Failure to meet any of the above criteria will result in disqualification for Legacy funding.

Recipients will receive \$300 per semester, for a maximum of four semesters, to be applied to tuition and mandatory fees only.

If the amount of the Legacy Program award will in any way jeopardize other financial aid a student is about to receive, the award package will be adjusted.

NOTE: Students who are receiving the JJC Employee/Dependent tuition waiver program are not eligible for both programs during the same semester.

Applicants:

- Legacy Program funding is only available for fall and spring semesters (not summer).
- Program funds are available for the first 100 eligible applicants per semester.
- Proof of parent (alumni) – child (applicant) relationship required with initial application. This includes a copy of applicant's birth certificate, copy of parent marriage license (if alumni is step-parent), or legal guardianship paperwork (if alumni is legal guardian).
- **Applications must be received by March 1, 2024 for consideration for Spring 2024.**
