

Protect Our JJC Community

The JJC Wolves' Pledge for a Safe Learning Community

A PLEDGE TO STOP THE SPREAD OF COVID-19

JJC Wolves are in this together, while we keep learning and we keep moving ahead. We are taking the next step together. Even as the effects of this pandemic impact our friends, our families, our country and our world, we must work to protect the health and safety of every member of our campus community.

We will protect ourselves.

We will protect others.

We will protect our JJC family.

TOGETHER, WE WILL TAKE EVERY SMALL STEP TO PROTECT JJC

If you are sick, experiencing any symptoms of COVID-19, or if you have been exposed to someone who has tested positive for COVID-19, contact the Office of Student Rights & Responsibilities at (815) 280-2309 and go online to complete this [form](#). We will follow-up with you to provide support and guidance in completing your courses, explain options if you need a break to recover, provided emotional support, and you will be given a list of community resources to help support you during this very difficult time.

Being a part of the JJC community means that each of us must take extraordinary steps to stay well and persistently protect each other, on campus and in the community. We are each a reflection of what it means to be a part of the JJC family. And as such we ask you to pledge to:

Protect Yourself

- Monitor for the symptoms of COVID-19 and report it to your family's medical professional, if I experience fever of 100.4 F (38 C) or higher, dry cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste or smell.
 - Report it to the Office of Student Rights & Responsibilities
 - Wash my hands often with soap and water or use hand sanitizer
 - Get vaccinated for the flu in the fall
-

Protect Others

- Maintain appropriate social distancing, especially in labs and student support offices, and especially in the presence of older members of our community
- Stay home if I feel ill or after exposure to someone who is ill or has tested positive for COVID-19
- Wear an appropriate face mask and other protective gear as directed by the college
- Look out for others and encourage their commitment to the JJC Pledge

*Protect Our JJC
Community*

- Keep my clothing, belongings, masks, and shared common spaces clean
- Participate in testing and contact tracing to preserve the wellness of the community
- Carefully observe instructional signs and follow directions
