**Clarification in regards to Business Enterprise Program requirements:**

The Business Enterprise Program's forms are only required in the following situations:

- If you are a BEP certified firm meeting the goal through self-performance
  - Participation & Utilization Plan Form only
- If you are subcontracting any work
  - Participation & Utilization Plan Form
  - Letter(s) of Intent (-OR- complete the *Demonstration of Good Faith Efforts to Achieve Goal and Request for Waiver* section of the Participation & Utilization Plan Form)

The utilization plan is not a requirement for self-performing firms which are not BEP certified.

The State's form does not indicate this, but Joliet Junior College is also able to accept MBE, WBE, and DBE certifications through the City of Chicago.
