10. Post-bid evaluation:

- The JJC CM will contact the lowest bidder to evaluate their bid and perform a scope review. Should the JJC CM and/or the engineer feel they do not have the complete scope covered with their bid; the next lowest bidder will be contacted.
- Lowest qualified bidder will be recommended for JJC Board approval at the **April** board meeting. Upon JJC Board approval, contractor will be notified of contract award and will have 10 working days to submit the required performance bond and insurance requirements.

11. Preconstruction Conference Checklist:

- The bid documents contain a copy of the Preconstruction Conference Checklist. This is to be reviewed by all bidders so that any costs associated with this document are included in contractors base bid (i.e. meeting time, creating a schedule, proper supervision, etc.).
- This checklist does not have to be signed and turned in with the bid. It will be the document used in the preconstruction meeting with the lowest bidder, and will be required to be signed at that time.

12. Project Schedule:

- April 14 - BOT Approval
- April 15-6 – Issue Contract
