PROJECT NAME: Printing Spring, Summer, & Fall Registration Guides
JJC PROJECT NO.: B20052

Question Received:

1. You are wanting a separate freight cost one for dropping at Joliet PO (which I can figure) however you are also asking for a freight cost to deliver to the DDU and DSCF locations, correct? We would need to know how many locations and zips of locations and approx. how many guides to each location so I can figure the weight. If you cannot tell us the qty to each location I can just figure an average between how many locations you provide with zips. Please let us know how to best proceed.

Bids will be evaluated based on an estimated 5 drops, not including the Joliet Post Office drop.
