Please see the questions received and the provided responses:

1. The link on the solicitation website to view the recording of today's Q&A session does not work. It is asking for a Microsoft login. Which I do not have.
We're sorry for this inconvenience. A link, which is accessible without a login, has been posted to our website: <https://youtu.be/jqITmuVKMoQ>
2. Can you provide the current prices for the can liners and gloves?
The college will not be sharing current pricing at this time.
3. Based on previous ordering history and purchase orders, about how often are the Can Liners ordered (Monthly, quarterly or other) and what is an approximate box or case order?
City Center Campus (Culinary Arts) orders 4 Cases a month of the 100-liner cases.
4. Based on previous ordering history and purchase orders, about how often are the gloves ordered (Monthly, quarterly or other) and what is an approximate box or case order?
Going by 2019 numbers, Culinary Arts purchased 60 cases of 1000 nitrile gloves, averaging 5 cases per month.

Usage in the market basket spreadsheet lists the volume for Food Services over the course of the year, however Covid cut the school year short resulting in a lower than normal overall usage on the Market basket.

Both Culinary Arts and Food Services may see increased glove usage as Covid protocols have altered some of our practices.
5. Are all the Items shipped to one location?
Most items will go to two locations: City Center Campus and Main Campus A Building. Please also see section 4.8.2 Deliveries and Schedule in the bid document.
6. May we receive the RFP in word so we can respond to the questions on the final pages?
Yes, see addendum #1.
