**Questions Received:**

1. Do you accept partial bids?  
***Partial bids will not be considered as the entire scope will be awarded to one vendor.***
  
2. Do you accept competitive bids?  
***Yes, the college is requesting that vendors submit a competitive proposal, which meets the college's specifications and will be evaluated against all proposals received.***
  
3. Are you looking for a ready trailer with personnel, servers, and connectivity to be stored off site then brought to one of the listed addresses after a natural disaster??  
***We are looking for a vendor to supply us with the aforementioned equipment if a disaster occurs. We are not looking to purchase equipment and have a vendor store that equipment offsite until a disaster occurs, to then bring it to us.***
  - a. Or will a cloud based DR solution be a better fit?  
***No. This RFP is not a comprehensive DRBC solution. We have supplemental cloud products that are not in the current scope of this RFP.***
  
4. 3k a month or 36k annual budget seems very low to have mobile unit staffed with DR personnel on call... I'm think more like 90-120k retainer to just build a (2) trailers from a General contractor.  
***DR personnel will not be on-call.***
