Please strike the verbiage on page 10 of the bid document requiring a turnkey package by January 31, 2022. The college prefers to purchase a vehicle off the lot due to an immediate need, but will consider all options available if this lead-time not feasible. The vehicle must be received and invoiced prior to June 30, 2022 to align with the college's fiscal year.

Please include your turnaround time from the receipt of the purchase order as a note within your bid.
