### **Question Received:**

1. While creating the quote C9300-DNA-E-48= License was auto-added to the quote by Cisco tool along with its corresponding Hardware Product: WS-C9300-48U-E (SN FOC2217Q0YT). Currently this license has the expiry date 19-JUL-2021. Please confirm if you want DNA license in the quote as this line is priced and is not present in the RFP document.

- **We do not want DNA license priced for hardware product WS-C9300-48U-E**

2. Per your list of items for the Cisco Smartnet Renewal bid, you have several items that do not include a serial number/instance number. These are required for us to obtain correct pricing – can you please provide:

Also, the following item appears to be listed twice:

LIC-CT8540-UPG with Serial number of 1831429494 in both the first section and last section

Item HXDP-S001-5YR= has reached it's End of Support date and cannot be quoted.

The item in the 1<sup>st</sup> section for LIC-CT8540-UPG, quantity = 1 can be disregarded. The item in the last section LIC-CT8540-UPG with quantity = 600 is correct.
