Questions Received:

1. Is the carpet being removed and reinstalled by JJC, or are we responsible for the protection of the carpet?
JJC will remove and reinstall the carpet, where temporary wall is installed and where it will be exposed to the elements. Carpet protection will be required by contractor in pathways to and from temporary wall installation.
2. How many bays of windows are we allowed to tear out and work on at one time?
Two to three bays will be allowed to be taken out at a time during any given time depending on the weather forecast. Contractors project manager or field supervision will be required coordinate areas based on the construction schedule with JJC project management team.
3. Is it mandatory that all workers on site are vaccinated?
Vaccination is not required. Please visit <https://www.jjc.edu/answering-your-questions-covid-19-0> for information on the college's Cleared4 system and current college operations in relation to covid. Awarded contractors will follow protocol pertaining to individuals "regularly on campus" for the duration of the project.
