Business Enterprise Program (BEP) Clarification:

The purpose of this addendum is to clarify terms and conditions within the [R23002 Vision Administration RFP document](#) as they relate to the State of Illinois Central Management System Business Enterprise Program (BEP).

Section III: General Terms & Conditions

Paragraph two under *Indemnification* on page 5 states:

In the event the supplier breaches its Business Enterprise Program (BEP) obligation as described within the State of Illinois' Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575) and pledged within the supplier's submitted utilization plan, the supplier is required to pay liquidated damages to Joliet Junior College equal to 20% of the award amount for college-funded projects. For projects involving state or federal funds, the supplier is required to pay liquidated damages to Joliet Junior College equal to the full amount of the award amount.

This verbiage only applies to respondents who choose to submit a utilization plan and letter of intent, as described on page 7 under *Business Enterprise Program (BEP)*. The purpose of the utilization plan and letter of intent is to identify the use of a BEP certified subcontractor.

Section V: Evaluation

Respondents must display their institution's commitment to diversity within their proposals as outlined in the evaluation section on pages 9-10. The awarded vendor is responsible to ensure that the pledged commitment to diversity is carried out through the entirety of the contract.
