Pre-bid Conference

Revision-D January 24, 2020

- Bid opening: Bids will be opened publicly via MS Teams and posted to website

10. Addendum information:

- Questions for addendum due by **end of day on Wednesday, July 20** DO NOT CONTACT JJC CONSTRUCTION MANAGER DIRECTLY.
- **Submit questions through ESM Solutions [Events > Q&A](#)**
- JJC will not be responsible for addressing questions after the above addendum due date.
- Addendum will be issued before the end of the business day on **Thursday, July 21.**
- Acknowledge addendum(s) in the bid documents. Failure to do so is open for the potential of a disqualified bid.

11. Post-bid evaluation:

- The JJC CM will contact the lowest bidder to evaluate their bid and perform a scope review. Should the JJC CM and/or the engineer feel they do not have the complete scope covered with their bid; the next lowest bidder will be contacted.
- Lowest qualified bidder will be recommended for JJC Board approval at the **August** board meeting. Upon JJC Board approval, contractor will be notified of contract award and will have 10 working days to submit the required performance bond and insurance requirements.

12. Preconstruction Conference Checklist:

- The bid documents contain a copy of the Preconstruction Conference Checklist. This is to be reviewed by all bidders so that any costs associated with this document are included in contractors base bid (i.e. meeting time, creating a schedule, proper supervision, etc.).
- This checklist does not have to be signed and turned in with the bid. It will be the document used in the preconstruction meeting with the lowest bidder, and will be required to be signed at that time.

13. Project Schedule:

- August 10 – B & G Approval
- August 10 – BOT Approval
- August 11 – Issue Contract
- August 15 – Construction start
- October 28 – Substantial completion
- November 11 – Punch List Complete

14. Contractor evaluation:

- Upon completion of the project JJC and/or the engineer will fill out a contractor evaluation form. The contractor must have a satisfactory report to stay in good standing with the college. A poor evaluation may result in the contractor not being recommended for award on future projects where they are low bidder.

15. Construction Contract:

- Sample contract included within bid documents.
