Joliet Junior College Qualifications-Based Selection (QBS)

Background

Joliet Junior College (JJC), the nation's first public community college, is a comprehensive community college. The college offers pre-baccalaureate programs for students planning to transfer to a four-year university, occupational education leading directly to employment, adult education, and literacy programs, workforce and workplace development services, and support services to help students succeed. The College has a combined total of approximately 11,500 full time and part time students enrolled in classes and about 1,377 staff on its main campus located within the city of Joliet, and its 5 extension campuses located in Romeoville, Morris, Frankfort, Weitendorf, and City Center in downtown Joliet.

JJC is the only public postsecondary institution within District 525 boundaries. JJC is located approximately 45 miles south of Chicago, the third largest city in the United States. Today, the 1,442-square mile district serves over 700,000 residents in Will, Grundy, Kendall, LaSalle, Kankakee, Livingston, and Cook counties. Multiple locations exist to serve residents throughout the district. The College consists of one (1) main campus (2) extended campuses, three (3) education centers, and multiple satellite locations throughout the district.

JJC has approximately 12,000 students per year enrolled in credit courses.

Vision Statement

Joliet Junior College is the first choice for learning, working and cultivating pathways to prosperity.

Mission Statement

Joliet Junior College inspires learning, transforms lives and strengthens communities.

H. CERTIFICATION OF CONTRACT/BIDDER

IV. SCOPE OF WORK

See Appendix B

V. EVALUATION

In evaluating the proposals submitted, JJC will apply the "Best Value" standard in selecting the supplier to be awarded a contract for this project. Any award resulting from this QBS will be made to that vendor whose offer conforms to the QBS and it is determined to be the most advantageous, of "best value" to JJC, in the sole judgment of JJC. The selection process will include the following considerations through a weighted scoring system:

	DESCRIPTION	WEIGHT
1	The quality of equipment and services the firm proposes to provide and the extent to which they meet QBS criteria, including knowledge transfer to the client. The firm's overall experience, reputation, expertise, stability, and financial responsibility.	45%
2	The experience and qualifications of the staff assigned to service JJC's account, the firm's ability to provide service expediently and efficiently, and the firm's ability to effectively service Joliet Junior College.	25%
4	Commitment to diversity*	20%
5	Any other relevant factor a business entity would consider in selecting a supplier, including firms proximity to JJC and ability to respond quickly	10%

*Commitment to diversity considerations may include:

- Business Enterprise Program (BEP) certification or utilization that meets or exceeds the college's 30% goal
- Assistance to BEP firms in obtaining lines of credit, insurance, equipment, supplies, or related services
- Percentage of prior year revenues for projects that incorporate the involvement of BEP firms
- Existence of a written supplier diversity plan or training/mentoring program for BEP firms
- Percentage of members serving the firm's governing board, senior executive, and managers who are women, minorities, or persons with a disability

Scope of Work

TERM OF CONTRACT: Any contract, which results from this QBS, shall be for a period of three (3) years from the date of the contract award. Assuming continued availability of funding; JJC may, at its sole option and with the consent of the supplier renew the contract for up to an additional two (2) 1-year terms.

I. Overview

JOLIET JUNIOR COLLEGE (JJC) is seeking professional services from qualified architectural, MEP, site/civil/surveying design firms as well as environmental consulting firms to carry out A/E and environmental disciplines for various projects as they relate to fiscal capital improvement needs. The college will be using the Quality Base Selection (QBS) procedure to select qualified firms.

I. Project Summary

Joliet Junior College's Capital improvement needs places emphasis on safety, interior remodeling, site improvements, utility, mechanical and electrical equipment. The projects vary and are collectively created from project requests and Facility Services assessments. These individual projects are generally less than \$5 thousand in professional service fees, but can at times exceed \$25 thousand for professional services. The purpose of the QBS is to work with selected firms on multiple projects during the term of the contract.

II. Primary Objectives

The primary objective will be to provide the college with professional services for architecture, engineering, environmental consulting services and at times Construction Administration on an as needed basis for various capital improvements. Projects will range from minor interior remodeling, mechanical, electrical and plumbing design as well as site/civil and infrastructure improvements.

III. Scope of Services

1. **Design:** Provide Joliet Junior College's CM/PM with schematic design, design development and construction documents. In addition, the architect or engineer maybe required to provide construction budgets.
2. **Environmental Consulting Services:** Provides environmental consulting, industrial hygiene and laboratory services including inspection, project design and oversight, air monitoring, laboratory and training.
3. **Construction Administration:** The architect and engineer may be required to attend pre-bid meetings, post-bid review meetings, perform construction observation, respond to RFI's, evaluate change orders, develop punch lists, inspect work thru project completion and review contractor pay requests.

JOLIET JUNIOR COLLEGE

1901

4. There is **not** a list of capital improvement projects available as part of the QBS. The selected firm(s) will work with JJC on an as-needed basis as projects are identified over the next five years. Capital Improvement projects are small in nature with A/E fees ranging from less than \$5k to more than \$25k per project. There will be no guarantee of the amount of services that will be required during this period.

IV. Additional Submission Information

The following information is to be considered when submitting your company information for this QBS process:

1. The Letter of Interest only requires a firm to submit a letter with their intent to submit the required qualifications for this QBS.
2. Fill out all sections of Form CDB Standard Form 255 or Form 330 Provide any information as part of this submission that you feel will help in your firms evaluation including renderings and photos (not a requirement for submission). Firms that cannot provide this documentation, should provide a detailed explanation within their proposal.
3. The Bidder's Certification Statement is a document stating that your firm is not barred from performing public work in the state of Illinois. It must be signed and turned in with your submission.
4. Please submit your firms two most recent financial statements to meet the submittal requirement of Independently Audited Financial Statement.
5. There is not a need to submit a proposed contract. A standard AIA contract will be used.
6. The intent of this QBS will be to select multiple firms for JJC to work with over the term of the contract for capital improvement projects. We will choose from the firms selected to either provide a competitive proposal, or we may select one of the firms based on area of expertise and negotiate pricing.
