ULTRASOUND MACHINE**

SPECIFICATIONS:

QTY: 1 NEW Mindray DC-70 Ultrasound Machine

Main Unit with 4 Active Transducer Connectors; 21.5" LED Monitor and 13.3" Touch Screen; 1TB Hard Disk & iStation Patient Information Management with Raw Data B/M/Color/Color M/Power/Directional Power Doppler Flow Imaging; Pulse Wave Doppler (includes High Pulsed Repetition Frequency); PSH (Phase Shift Harmonic Imaging); iBeam (Spatial Compounding Imaging); iClear (Speckle Suppression Imaging); iTouch (Auto Image Optimization); iZoom (Full Screen View); Shared Service Calculation Package; HR Flow (High Resolution Flow); DVD-RW, HDMI output and USB 3.0 Ports; MedSight (Support IOS/Android devices, DICOM basic should be configured in ultrasound for IOS devices); MedTouch (Support Android devices); Left side endocavity Transducer Holder; Built-in WiFi Adapter; Power Cord; 5-year warranty (parts and labor)

QTY: 1 New Mindray C5-1E curved linear transducer

QTY: 1 New Mindray L9-3E linear/vascular transducer

QTY: 1 New Mindray L12-3E linear transducer

QTY: 1 New Mindray V11-3HE endo-cavity transducer

QTY: 1 CW Module Option

QTY: 4 Hour Virtual Training

ITEM	DESCRIPTION	QNTY	UNIT COST	TOTAL COST
1)	<p>Total Cost: NEW Mindray DC-70 Ultrasound Machine as specified, New Mindray C5-1E curved linear transducer, New Mindray L9-3E linear/vascular transducer, New Mindray L12-3E linear transducer, New Mindray V11-3HE endo-cavity transducer, CW Module option, 4 hours virtual training</p> <p>All charges, including freight charges must be included in this total cost.</p>	1
