**Third Party Grant Evaluator of Trade Adjustment
Assistance Community College and Career Training Grant**

JOLIET JUNIOR COLLEGE

1901

Background

Joliet Junior College is a comprehensive community college. The college offers pre-baccalaureate programs for students planning to transfer to a four-year university, occupational education leading directly to employment, adult education and literacy programs, work force and workplace development services, and support services to help students succeed. The College has a combined total of 17,706 full time and part time students enrolled in Spring 2013 classes on its main campus located within the city of Joliet, and its five extension campuses located in Romeoville, Morris, Frankfort, Weitendorf, and City Center in downtown Joliet.

Vision Statement

Joliet Junior College, the nation's first public community college, will be a leader in teaching and learning, and the first choice for post-secondary education.

Mission Statement

Joliet Junior College enriches people's lives through affordable, accessible, and quality programs and services. The college provides transfer and career preparation, training and workforce development, and a lifetime of learning to the diverse community it serves.

OVERVIEW

The Board of Trustees of Joliet Junior College (hereinafter, "JJC") is requesting proposals from a third party evaluator with the skills and experience needed to conduct both a formative and summative evaluation of the grant while assisting Consortium for Industrial Maintenance Credentials and Careers (CIMCC) with continuous feedback and outcome measures monitoring that ensure CIMCC is meeting ambitious and sustainable program targets. .

Additional scope is discussed in the **SCOPE OF WORK** section of this proposal.

Note: Joliet Junior College is applying for a four (4) year U.S Department of Labor Trade Adjustment Assistance Community Colleges and Career Training Grant (SGA/DFA PY13-10).

This contract is solely dependent on the receipt of this grant. The U.S. Department of Labor will notify applicants on or before September 30, 2014. If JJC is awarded the grant, this contract will begin October 1, 2014 for a period of four (4) years. Assuming continued availability of funding, JJC may, at its sole option and with the consent of the supplier renew the contract for up to an additional four (4) one-year terms.

Joliet Junior College cannot enter into a contractual arrangement with any vendor until Joliet Junior College receives the award notification from the U.S. Department of Labor.

VI. EVALUATION

In evaluating the proposals submitted, JJC will apply the "Best Value" standard in selecting the supplier to be awarded a contract for this project. Purchase price is not the only criteria that will be used in the evaluation process. Any award resulting from this RFP will be made to that vendor whose offer conforms to the RFP and it is determined to be the most advantageous, of "best value" to JJC, in the sole judgment of JJC. The selection process will include, but not be limited to, the following considerations:

1. The provider's ability to assist JJC in meeting the overall goals and to reduce JJC administrative costs associated with the procurement process.
2. The quality and range of services the firm proposes to provide.
3. The extent to which the goods or services meet JJC needs.
4. The firm's overall experience, reputation, expertise, stability and financial responsibility.
5. The vendor's past relationship with JJC, if any.
6. The experience and qualifications of the staff that will be assigned to service JJC's account.
7. The ability to provide service in an expedient and efficient manner.
8. Facilities (computerized information systems, access to industry facilities, quality and range of management reports, etc.) that will be used in auditing JJC's expenditures.
9. Vendor's financial terms offered to JJC.
10. The training options available.
11. The total, long-term cost to JJC to acquire the vendor's goods and services.
12. Any other relevant factor that a private business entity would consider in selecting a supplier.

SCOPE OF WORK

As the lead institution in the Consortium for Industrial Maintenance Credentials and Careers (CIMCC), Joliet Junior College is seeking a third party evaluator with the skills and experience needed to conduct both a formative and summative evaluation of the grant while assisting CIMCC with continuous feedback and outcome measures monitoring that ensure CIMCC is meeting ambitious and sustainable program targets. The CIMCC program's evaluation study will focus on the impact of the development and provision of the first nationally-recognized and portable Industrial Maintenance certification in the United States. It is anticipated that a comparison cohort will be established that measures the impact of issuance of this new Industrial Maintenance credential on employment and earnings labor market outcomes.

The CIMCC is looking for an evaluator who can assist with conducting the following:

1. **A Formative Evaluation Focused on Program Implementation.** The external evaluator shall do the following as part of the formative evaluation process:
 - 1.1 Finalize qualitative analysis framework in order to address the key program implementation questions identified in the evaluation plan.
 - 1.2 Identify and confirm key program implementation components necessary for evaluation such as curriculum development, employer engagement and hiring of project personnel.
 - 1.3 Develop data collection tools and protocols and meet security requirements.
 - 1.4 Develop communication protocols for working with consortium colleges.
 - 1.5 Develop a site visit schedule and conduct necessary site visits at college locations in order to gather needed data to conduct implementation analysis and provide continuous feedback.
 - 1.6 Conduct surveys and interviews of staff, participants and stakeholders as needed to gather qualitative data regarding program implementation and improvements.
 - 1.7 Analyze data and develop a formal continuous improvement feedback mechanism.
 - 1.8 Analyze and report on program implementation impacts on program outcomes.

2. **A Summative Evaluation Focused on Program Service Intervention Impacts.** The external evaluator shall do the following as part of the summative evaluation process and reporting:
 - 2.1 Develop informed consent forms for use with participants and comparison group subjects.
 - 2.2 Create data collection tools and processes in order to gather the necessary data to conduct comparison cohorts.
 - 2.3 Advise and assist with challenges and issues related to the identification and selection of comparison group subjects.
 - 2.4 Combine and clean data sets for analysis of impact.
 - 2.5 Conduct analysis of quantitative data to examine impact.
 - 2.6 Use data to conduct a cost analysis for the project.
 - 2.7 Provide oral briefings to college and other partners on evaluation findings.
 - 2.8 Make any necessary adjustments during comparison cohort process while maintaining required reliability and validity.
3. **Required Reports.** The third party evaluator will be expected to deliver the following reports:
 - (a) An interim evaluation report on or about September 30, 2016; and
 - (b) A final evaluation report on or about September 30, 2018.
 - (c) In addition, the third party evaluator will be expected to coordinate with Joliet Junior College on quarterly data reporting to USDOL.
4. **Vendor Credentials.** The SEELC is looking for a dynamic third party evaluator who can develop and implement a high quality evaluation design while assisting CIMCC colleges with continuous feedback and monitoring of outcomes. The following are requirements of the vendor:
 - (1) The Vendor must have experience in project evaluation, with proven experience in the

JOLIET JUNIOR COLLEGE

1901

evaluation of USDOL grants and/or other similar federally-funded grants, with preference given for having TAACCCT evaluation experience, knowledge of the TAA program, data terms and collections methods, how to partner with state UI agencies for use of UI wage records, and experience managing large projects.

- (2) The Vendor must list experience of each principle assigned to the project, including current job description, resume, education, and professional certifications.
- (3) The Vendor must indicate any other persons, including subcontractors, who will be assigned to this project, including information on number of years with the vendor, number of years with other vendor(s), experience with similar projects, education/degrees earned and active registrations and licenses.
- (4) The Vendor must provide a listing of at least three clients it has or is providing successful evaluation services to similar to TAACCCT evaluation requirements.
- (5) Preference will be given to Vendors with the following attributes:
 - (a) **Understanding of Community College Environment**—Vendors will be given preference for a thorough understanding of the community college environment.
 - (b) **Understanding of the TAA Program**—Vendors will be given preference for having any direct managerial or staff experience with the TAA program.
 - (c) **Understanding of USDOL Outcome Measures**—Vendors will be given preference for experience working directly with or assisting clients with USDOL outcome measures, including quarterly reporting.
 - (d) **Small Business Involvement**—Vendors will be given preference if they are a small business or subcontract with a small business.

QUANTITY

There is no guaranteed amount of services intended either expressly or implied, to be purchased or, contracted for by JJC. However the supplier awarded the contract shall furnish all required services to JJC at the stated price, when and if required.

PROPOSED PRICING

The vendor should furnish a list of proposed prices for all services and materials to be used during the term of the contract. The list of proposed prices should be structured to allow for the calculation of unit cost analyses. The prices included herein are to be firm through the contract term, unless noted otherwise by the vendor.
