LOANS

Federal Direct Student Loans are one form of student aid from the federal government. Under the Federal Direct Student Loan program students borrow money for school from the federal government. The Financial Aid Office encourages students to evaluate loan options carefully, borrow only what is really needed and remember that loans must be repaid. Students are required to complete entrance counseling and the Borrow Smart program prior to receiving student loans in order to provide clear information related to loan rights and responsibilities.

CHOOSING A PROGRAM OF STUDY

A VA approved program of study is required for any student requesting to receive veteran's education GI Bill benefits at Joliet Junior College. A list of degrees/certificates can be found in the JJC Academic Catalog. You may meet with an academic advisor for assistance in choosing a program of study. Additionally, you can see if courses you have already taken are applicable to a different degree path in your student portal at My JJC -> Students -> Plan Academic Path -> My Degree Progress -> What if

ACADEMIC ADVISING

It is required that you request an appointment with an academic advisor to develop a **Veterans Educational Degree Plan** to ensure you are enrolling in the appropriate courses that are necessary for your declared program of study. You may print a degree planner from our online [Academic Catalog](#) to assist with course choices. If you change your degree, you must complete a new form with an advisor. If you are receiving military tuition assistance, additional requirements may apply. Refer to <http://jjc.edu/veterans> for more information.

An academic advisor can answer questions you have regarding specific classes, programs of study, academic standing and transfer.

Please consider meeting with an advisor every semester prior to registration and when considering a change in your program to ensure you are selecting the courses required for your degree. You may also schedule an appointment for a degree audit to monitor your progress towards completion.

More information about transfer of credits, enrollment, and residency can be found [here](#)

DEGREE AUDIT

A degree audit is an analysis of the courses necessary to complete your program of study. Only courses required for the degree are payable utilizing GI Bill benefits. Degree requirements and progress can be found in your student portal at My JJC -> Students -> Plan Academic Path -> My Degree Progress.

TYPES OF CLASSES

REMEDIAL COURSES

Remedial courses are classes you must test into to qualify for benefits. Your Placement Test will determine placement into the appropriate course. Examples of remedial courses are MATH 090, MATH 094, MATH 095, ENG 020, and ENG 021.

In order to qualify for GI Bill benefits, remedial (below 100 level) courses MAY NOT be taken online or hybrid.

ONLINE/HYBRID COURSES

- Online Courses: Students do not attend class on-campus; however some Online Courses may require campus visits for exams.
- Hybrid Courses: Courses are taught partially online and partially in a traditional classroom setting.

Courses offered online or hybrid and are a requirement for your degree are payable as long as they are above the 100 level. As of August 15, 2019 Hybrid courses meeting VA guidelines are considered "in-residence" courses.

Enrolling in **all** online courses in a semester may affect the Post 9/11 monthly housing allowance.

REPEAT COURSES

The VA will pay for a repeated course if a higher grade is required for your program. For example, to be eligible for English 102, a student must successfully complete English 101 with a "C" or better. You may not repeat a course completed successfully at JJC or any other institution **and** utilize GI Bill.

ACADEMIC STANDING

In accordance with the United State Department of Veterans Affairs and State of Illinois regulations, Joliet Junior College has established minimum Academic Progress guidelines for all veterans educational benefit recipients. These standards apply to all students receiving federal and state veteran educational funding.

Minimum Cumulative GPA Requirements

- **0-12 Credit Hours Attempted: 1.75 Minimum Cumulative GPA**
- **13-32 Credit Hours Attempted: 1.85 Minimum Cumulative GPA**
- **33-48 Credit Hours Attempted: 1.95 Minimum Cumulative GPA**
- **49-64 or above Credit Hours Attempted: 2.00 Minimum Cumulative GPA**

Evaluation of Academic Progress

A student veteran is evaluated for academic progress at end of each academic term. This evaluation includes all coursework taken at Joliet Junior College. Evaluations are made at the end of each semester to determine a student's progress toward a specified degree or eligible certificate. A student is considered to be making satisfactory progress if his/her Grade Point Average complies with the GPA Requirements listed above.

The first semester a student using veterans education benefits fails to meet these requirements, he/she is placed on warning and notified via their JJC email account. A student on warning has one semester to comply with the minimum academic standards of progress. If the student meets this provision, warning status will be lifted. If the student fails to comply with the set standards at the end of the warning semester, eligibility for all state and federal veterans' funds will be withdrawn, resulting in the student being placed on termination status. A notice of termination, stating the reasons for withdrawal of eligibility, is emailed to the student's JJC email account. This notice includes a reminder of the on-campus support and counseling services available. When a student is terminated, JJC is required to notify the VA and suspend benefit certification until minimum standards are reached. Termination from the use of benefits does not, however, mean termination from Joliet Junior College.

Appeal Procedure

Students may appeal their termination to the Satisfactory Academic Progress Committee in writing. Forms are available in the Veterans Resource Center and Financial Aid Office outlining the appeal process. Supporting documentation must accompany the request. Appeals will be considered on an individual basis by the Committee and will be either approved with provisions or denied. More information can be found at <http://jjc.edu/financial-aid>

Non-Academic Grievance Process

The college believes many complaints can be resolved through an open, honest dialogue between the persons involved. In cases where that may not be possible, the JJC Student Complaint Procedure can assist in facilitating a resolution. Other than grade appeal or claim of sexual discrimination, harassment, or misconduct, a complaint that challenges the decisions or actions of college personnel will be considered under this procedure. Information can be obtained through the Office of Student Rights & Responsibilities and at <https://www.jjc.edu/studentrights>

WITHDRAWALS

When using a federal VA education benefit, it is important to successfully complete all courses for which you are certified. Drops, withdrawals, incompletes and failing grades may create a debt for you with the VA. If you have adjusted your registration, it is important to notify the JJC Veterans Resource Center immediately so that your file can be updated promptly.

It is your responsibility to notify the VA of any mitigating circumstance that led to your reduction in hours for a semester. Failure to notify the VA of mitigating circumstances may result in a debt effective the first day of your enrollment period or of the semester.

MILITARY WITHDRAWAL

In accordance with Board Policy 4.22.00, when a student is called to military service, he or she may opt to complete the class or request a tuition and fees refund, in accordance with state and federal laws. The students should present a copy of the "military service orders" to the Office of the Registrar prior to leaving. Assistance with this process can also be given by the Veterans Coordinator or by visiting www.jjc.edu/veterans

OVERPAYMENT

If you decrease or alter your schedule after certification has been processed, an overpayment with the VA could occur and you may incur a debt. A debt may include; tuition, fees, books and housing allowance. You are responsible for any debt incurred while receiving benefits either to the Department of Veterans Affairs or Joliet Junior College. Questions regarding your debt with VA should be directed to VA Education at 1-888-442-4551 or VA Debt Management at 1-800-827-0648.
