Joliet Regional COLLEGE & CAREER FAIR

Thursday, March 27 • 1 - 5 p.m.

Sponsored by:

Welcome to the 2025 Joliet Regional College & Career Fair!

This annual event represents a pivotal opportunity for our college community to connect with employers, explore career pathways and pave the way for future success.

This event serves as a testament to the collaborative spirit and unwavering commitment of our college and local partners to empower our students and alumni in their professional endeavors. By bringing together a diverse array of employers, industries and educational institutions, this event facilitates meaningful interactions and fosters invaluable networking opportunities.

As your college president, I am immensely proud to support legacy initiatives like this. The event will provide opportunities for you to connect with potential full-time employment and internship opportunities, with over 100 employers and four-year institutions registered. Employers represent a wide range of organizations and four-year colleges and universities will highlight programs recruiting a variety of majors.

Whether you are a recent graduate exploring entry-level opportunities or a seasoned professional seeking to advance your career, I encourage you to take full advantage of the wealth of resources and opportunities available to you at this event.

To our valued employers: thank you for your continued partnership and investment in the future of our students. Your presence at the Joliet Regional College and Career Fair not only provides our students with invaluable insight into potential career paths but also underscores your commitment to nurturing talent and fostering growth within our community.

To our students and alumni: I urge you to approach this with enthusiasm, courage, and a willingness to learn. Seize this opportunity to showcase your unique talents, skills, and experiences, and to forge connections that may ultimately shape the trajectory of your career.

As we come together to celebrate the spirit of collaboration and opportunity, let's embrace the possibilities that lie ahead and reaffirm our collective commitment to excellence, innovation, and lifelong learning.

I look forward to meeting you!

Clyne G. H. Namuo, Ph.D.
President
