

Math 127 & 128 Sections with Co-requisite Instruction Fall 2023

Students matching these four qualifications may enroll in a course with co-requisite instruction.

A student must be

1. eligible to register for Math 094 or Math 098.
2. ineligible to register into other sections of Math 127 and 128.
3. majoring in a field that requires only one math course, either Math 127 or 128.
4. taking courses that do not require Math 094 or MATH 098 as a pre-requisite.

Qualifying majors/fields of study include

- Fine Arts
 - English and World Languages
 - Psychology (128 only)
 - Sociology
 - Political Science (128 only)
 - Health Information Management Technology (HIMT)
- Nursing (128 only)
 - Diagnostic Medical Sonography (128 only)
 - Emergency Medical Services
 - Fire Science
 - Criminal Justice
